

Refluff

A refluff entails taking the entire duvet apart and washing the percale cotton on the outside and refluffing the silk. We then put it back together and place the silk layer for layer in place again and then put strings through to keep the silk in place like it was when you bought it. For the above procedure we charge **R400 (This excludes postage or courier)**

***How to get it to us?**

Please post it directly to Head office at (**WE DO NOT RECOMMEND THIS METHOD**)

And also sms them at **079 5030726** and/or give them a call at **(013) 767 1665** to notify them of your duvet and please give them a **tracking number/waybill**. PLEASE FILL IN THE REFLUFF FORM AND ADD IT TO THE BOX)

Additional costs

We can also cover your duvet with brand new percale cotton and add or take away silk to your preference. This will be quoted depending on what you want done to your duvet e.g. add extra silk or new percale cotton or both.

We can custom do anything to your duvet at an additional cost, e.g. divide it in half, make it thicker or thinner or thicker on the one side and thinner on the other side.
